heart is

Join the family!

**APPLY NOW**

# Camp is a magical place.

But sometimes we wonder... How much more magical can camp be if it's just the real thing? Camp should be about enchanting memories that carry us throughout the year. Friendships built with truth, minus superficial factors. Smiles unmarred by the stress of conforming to unspoken rules. Talents shining bright – sans competition.

## It should be the place where you can be the real you.

In our experience teaching and working with hundreds of wonderful girls, we have seen it over and over: Girls want to grow together: with incredible fun, true friendships, and real connection.

So we set out to recapture camp – the way it's meant to be.

## Join us as we build something real.

### WHAT AWAITS YOU AT CAMP LEVAVI?

- A make-a-wish kind of camp.
- Where friendships are formed – and kept for years.
- Where every girl's gifts are celebrated – and new talents are born.
- Where night and day merge in a magical sensation of fun, laughter – and inspiration.

Your friendships, talents and dreams.

ONLY BETTER!

Shining summer.  
Spectacular setting.

### Mrs. Aliza Yurman

DIRECTOR

Mrs. Aliza Yurman is more than a star teacher. She is the consummate connector – and enjoys connecting with no one more than amazing teenage girls. Her combined Israeli-American background leads her to appreciate a simpler style – with a spunky vibe. She looks forward to meeting each new member of the Camp Levavi family!

### Mrs. Aliza Schwadel

PROGRAM DIRECTOR

Mrs. Aliza Schwadel has been working with teens since she was a teen. Her creativity and talent fuel her passion for true, wholesome fun – the real way. As a beloved teacher in TAG, she draws her students close with her inimitable combination of learning and laughter. She is looking forward to transporting that vision to camp!
